Mr. Stewart requested a post be added, so a tow away sign can be mounted; one location only. PRE has not acquired a quote from new landscapers. PRE is going to send contact for ABC Construction and All City Fence. ABC Construction has reviewed, no quote yet. PRE to follow-up with All City.

The dome window on the playset was vandalized and broken out. Mr. Saum sent picture for review. We need to temporarily remove the broken plastic, so children don't get hurt on the sharp edges. Mr. Russell to review Oct. 19<sup>th</sup>.

#### ITEM 5.0 - ACC Committee Report:

Mr. Russel is getting quotes for playground equipment and anticipates having more information next month. Mr. Russel is waiting on three quotes. It appears that ROM for the work is \$18k. Drainage issue must be addressed prior to making and investment on new playground equipment. Further investigation will need to occur during the spring to better determine drainage needs. Proposal to be made this summer and planned for in the FY2022 budget. With the transition to Navigate it is not likely we will be able to resolve the budget for the playground equipment until FY2023.

We have one new / outstanding ACC request.

1. 10908 51st Ave SE – Request for exterior painting – ACC to follow with Member. Request may have gotten lost by PRE.
